THE POWER OF YOUR SUPPORT

REJUVENATING LIFE

Thanks to local donors, Meg had access to programs that brought new life back into her mother.

Her mom was 83 with mild dementia and had not been out of the house in a year. Meg found out about the congregate meals at the Randolph Senior Adults Center and signed her up for 3 days a week. The RCATS van could take her and bring her home.

Her mother is like a different person now. She loves the Center and her new friends there, and can hardly wait to tell Meg about her day when she gets home.

United Way depends on your donations to fund programs and services that help seniors remain healthy, active, and independent.

Senior Adult Meals is funded by the United Way of Randolph County.

Thank you for your support.
