THE IMPACT OF YOUR SUPPORT

POWER HOUR

Nyla is a 4th grader who receives three hours of support weekly from a certified teacher during **Power Hour** at **The Boys and Girls Club**. Specially designed lessons have improved her reading skills.

She has already risen significantly in reading and is on track to be reading at 4th grade level by the end of this school year.

At least 70% of **The Boys and Girls Club** members spend at least one hour every day after school in **Power Hour Homework Assistance**.

Central Boys and Girls Club uses your United Way dollars to help students like Nyla succeed in school and life.

For more information, call 336-882-2582.

I choose the community impact fund: I want my dollars to go where they are needed the most and will do the most good.

I want to choose the impact area: Education Financial Stability Health
