Pathway **TO FUNDING:** **HOW DONOR DOLLARS LEAD TO CHANGE**

**HOW MUCH
DID WE DO?**

**HOW WELL
DID WE DO IT?**

To give us the data we need to ensure we are leveraging our donor dollars in a way that makes the largest (and most lasting) collective impact on our communities, our partner agencies answer these questions for us in the grant application and throughout the year.

IS ANYONE BETTER OFF?

BOLDGOALS

Each of our funded partners is working to directly impact one (or more) of our bold goals. Our goals are a **Healthy Community**, **Youth Opportunity**, **Financial Security**, and **Community Resiliency**.
