Sponsors the 23rd Annual

Thank you for participating in the 2025 United Way Human Race!

This form serves as both your race registration and contribution sheet, allowing you to sponsor yourself and/or gather donations for the nonprofit organization of your choice.

All proceeds will go directly to support vital community programs.

The United Way Human Race 5K is uniquely designed to empower participants to choose a local nonprofit to support with their fundraising efforts. Please write in the name of the nonprofit in the space provided. This ensures your fundraising efforts are directed to the causes that matter most to you, making your impact personal and meaningful.

Here's how it works: 75% of the funds raised go directly to the nonprofit you designate, while 25% supports The Volunteer Center of Randolph County. This 25% helps sustain critical programs like volunteer recruitment, training, and initiatives that strengthen nonprofits throughout the region. By participating, you're not only supporting your chosen nonprofit but also contributing to a stronger network of community service across Randolph County.
