POWER HOUR

Nyla is a 4th grader who receives three hours of support weekly from a certified teacher during **Power Hour** at **The Boys and Girls Club**. Specially designed lessons have improved her reading skills.

She has already risen significantly in reading and is on track to be reading at 4th grade level by the end of this school year.

At least 70% of **The Boys and Girls Club** members spend at least one hour every day after school in **Power Hour Homework Assistance**.

Central Boys and Girls Club uses your United Way dollars to help students like Nyla succeed in school and life.

LIVABLE HOUSING

Sandra's home needed major repairs, and she was referred to the **Neighbors Helping Neighbors Program** at **CUOC**.

When a contractor declared her house beyond repair, **CUOC** guided Sandra through the long process of applying for new housing.

Once a senior-living apartment became available, **CUOC** helped Sandra with utility bills, medications, and access to the food pantry.

CUOC changed Sandra's life. She obtained permanent, livable housing, and gained a greater understanding of budgeting her money.

Thanks to your United Way donations, **CUOC** is there to help people like Sandra get back on their feet and remain self-sufficient.

For information, call 336-625-1500.

SWIFT WATER RESCUE

The **Ash-Rand** swift-water rescue team was a welcome sight to the three men stranded on a cartop in raging floodwaters.

Ash-Rand determined the best extrication route, reached the victims, helped them into life jackets, and into the rescue boat.

The crew on shore hauled the boat back in, and waiting EMS units warmed and evaluated the three victims.

Your United Way dollars help provide **Ash-Rand Rescue** with the equipment, training, and manpower to conduct a swift-water rescue.

For information, call 336-625-3354.
